Gillette's newest standalone brand, GilletteLabs, which launched in September 2018, is taking a different approach to men's shaving with the debut of its first product, a Rs150 heated razor. The razor will be sold at luxury retailer The Art of Shaving in all 100 locations and online beginning in May. This marks the first time the two Procter & Gamble-owned brands have paired up — Gillette products are typically sold in mass chains like Target and Walmart.

Client's Brief: "Other brands care about doing cost-saving [tactics], but Gillette brings technology and understanding of the consumer together and adds up to a big difference."
